To Educate, Enrich, Enlighten and Empower Womanhood.....

Sarvanaman Vidya Mandir

A Residential School for Girls (Affiliated to CBSE)

H.D.H. Hariprasad Swamiji

(The Spiritual Master and Founder of Yogi Divine Society)

He has a vision of a progressive society and nation where individuals are the torchbearers of the rich heritage of Indian culture. Sarvanaman Vidya Mandir seeks to impart quality education to girls and to train them as the potential leaders of tomorrow.

Guruhari Swamishri's vision resulted in the origin of Sarvanaman Vidya Mandir - a residential school for girls, located on the peaceful and scenic landscape of river Narmada at Bharuch, Gujarat (India). It is an institution designed on the concept of the ancient system of 'Gurukul'. It offers a sublime and spiritual background, where children are treated with love and reverence. It imparts quality education that exploits and trains the talents and abilities of students, empowering them to meet the challenges of modern-day life and society.

The school was commenced in June 2004 and is affiliated to the Central Board of Education (CBSE) New Delhi. The school offers an integrated curriculum from Grade I to XII. The school provides excellent standards of planned education that is designed to provide the best of educational facilities through a sophisticated technology.

Our Motto

The Motto of the school is empowerment of womanhood. To achieve this aim, all efforts are focused on an all-round development of the personalities and characters of the students who are trained to be the torchbearers of the rich heritage of Indian culture and spirituality. The glorious record of the comprehensive academic success of the school is evident in its students' placement in globally acclaimed colleges and universities.

The school marks its difference with a special focus on inculcating cultural, moral, ethical, and religious values in students through a variety of events and activities. Operating on non-sectarian principles, the school is open to students from all cultures and religions.

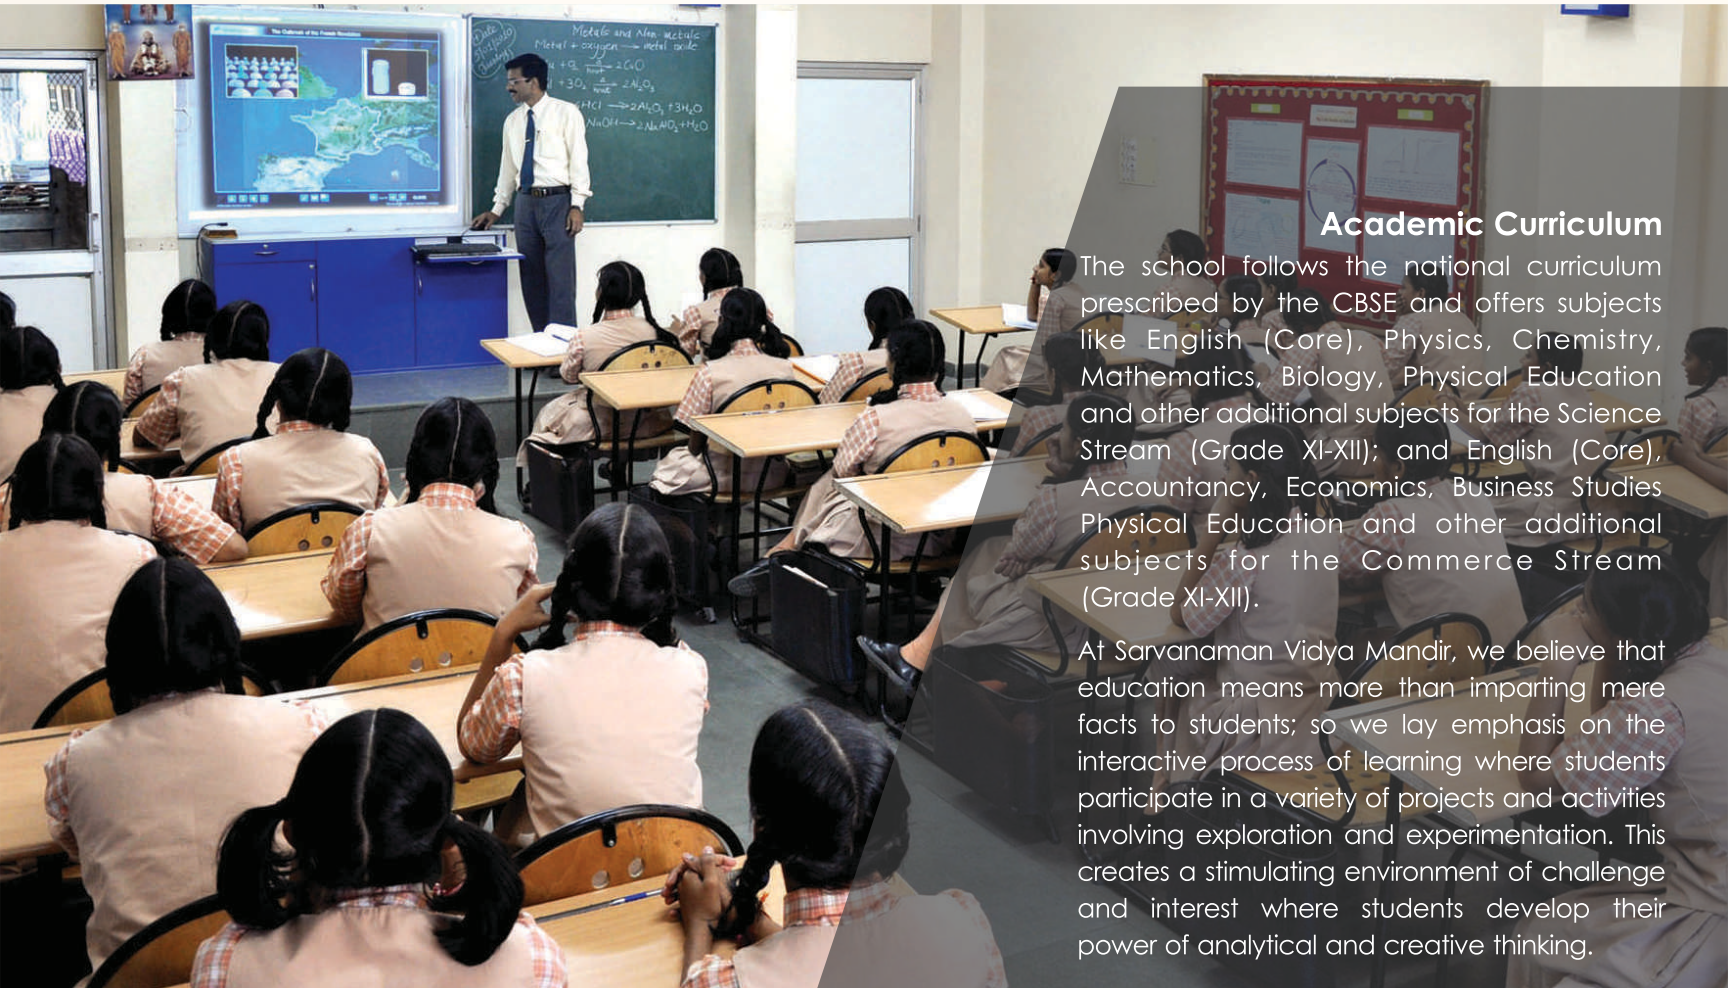

Mentoring

Sarvanaman Vidya Mandir aims to nurture the soul along with educating the mind, so as to sculpt individuals who are empowered with integrity of character and values of morality and spirituality.

At Sarvanaman Vidya Mandir, the 'Sadhvi' sisters and the dedicated mentors (Didis) are the spiritual pillars that help students in their spiritual growth by nourishing a heightened awareness of cultural, moral and ethical values leading to inner peace and strength. They provide support and care for students in ways that make this school a home away from home. They instill cultural values in students and also offer spiritual counsel.

All faculty members, caretakers and the management dispense their duties with dedication to the Lord and the Spiritual Master thus creating an atmosphere of harmony.

Academic Curriculum

The school follows the national curriculum prescribed by the CBSE and offers subjects like English (Core), Physics, Chemistry, Mathematics, Biology, Physical Education and other additional subjects for the Science Stream (Grade XI-XII); and English (Core), Accountancy, Economics, Business Studies Physical Education and other additional subjects for the Commerce Stream (Grade XI-XII).

At Sarvanaman Vidya Mandir, we believe that education means more than imparting mere facts to students; so we lay emphasis on the interactive process of learning where students participate in a variety of projects and activities involving exploration and experimentation. This creates a stimulating environment of challenge and interest where students develop their power of analytical and creative thinking.

Academic Faculty

SVM is very selective in recruitment of the teachers. A well-qualified and competent staff screened through strict norms of SVM stay on the campus acting as guide, facilitator as well as parents for the students.

Each class has a limited number of students. Thus enabling the teachers to provide individualized attention. Here the education is imparted through innovative teaching approaches, enlivening the traditional methods with modern audio-video resources.

Teachers also encourage the formation of good habits and organizational skills. Significantly, the teachers undergo regular training programs to gain upgraded information of the latest research and developments in education.

Classroom

SVM provides excellent classroom amenities to enable students to study in a bright, spacious and hygienic environment. The classrooms are designed to create a pleasant ambience for the teaching-learning process. A proper sitting arrangement, digital projection systems and all the necessary high-tech equipment promise an optimal learning environment.

The school has full-time, on-site, certified technician to ensure the smooth functioning of technical equipment. Digital material remains handy for every subject, thereby offering a wide array of authentically researched information presented in interesting ways.

Classroom integrated with *Funtoot* facilitates learning and practice of Mathematics in a joyful manner. School Auditorium, Audio-Visual Room, Music Room and Art Room facilitate dynamic learning. Apart from enhancing and enriching the curriculum, these facilities make the teaching-learning process a stimulating experience.

Laboratories

Sarvanaman Vidya Mandir believes in culture of excellence. The same is reflected in its various laboratories - Physics, Chemistry and Biology, the Mathematics Lab and the Social Science lab that are furnished with best of equipment and tools. These laboratories provide opportunities for students to observe, explore, experiment and analyse – thereby enabling them to develop a diversity of perspectives and skills.

Computer Lab & Library

The computer lab of the school offers most modern comfortable and attractive interior that creates a comfortable and enchanting learning environment for our students. Our state of the art facility is equipped with advanced technology - the most advanced computer hardware available with broadband Internet connections. Besides, there are many educational CDs that students can access and explore.

The school library houses scores of books including course books, encyclopedias and reference books that complement the course studies of the school curriculum. The library also provides books and periodicals that are recreational as well as enhance to the educational needs and interests of students.

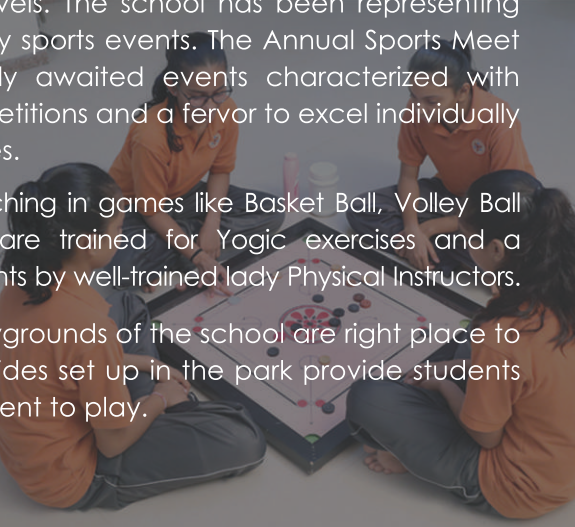

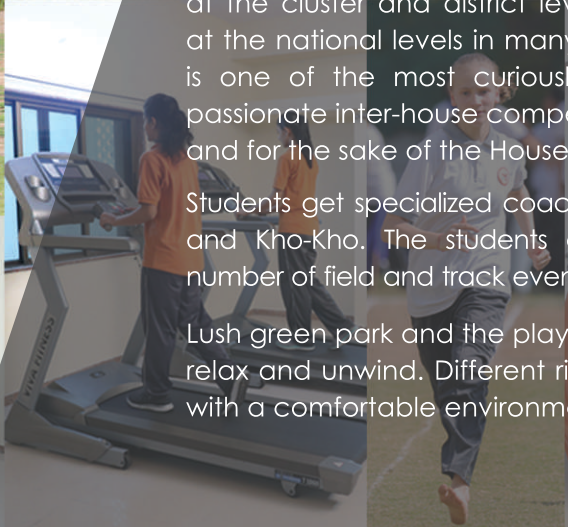

Co-curricular Activities

The school encourages hobbies and talents through diverse and vibrant activities ranging from art and craft, drawing, calligraphy, dramatics, debates, elocutions, quiz, performing arts and many more. The activities take place at multiple stages like intra-class, inter-class, inter house, inter school to zonal level.

Aiming at inculcating the spirit of team-work, leadership and good citizenship, the school promotes extracurricular programs in such a way that these activities and such occasions turn out to be powerfully positive experiences for the students enabling them to have higher levels of commitment and attachment to the society and social causes.

At Sarvnaman Vidya Mandir, the vibrant celebrations of festivals and special days are a sight to behold. These spectacular celebrations convey a sense of culture, unity irrespective of religion, caste or creed, and a respect for ethnicity.

Sports and Games

Sports and various games are an important part of the school's co-curricular program. Students of the school have excelled in numerous games, bringing home a large number of trophies won at the cluster and district levels. The school has been representing at the national levels in many sports events. The Annual Sports Meet is one of the most curiously awaited events characterized with passionate inter-house competitions and a fervor to excel individually and for the sake of the Houses.

Students get specialized coaching in games like Basket Ball, Volley Ball and Kho-Kho. The students are trained for Yogic exercises and a number of field and track events by well-trained lady Physical Instructors.

Lush green park and the playgrounds of the school are right place to relax and unwind. Different rides set up in the park provide students with a comfortable environment to play.

Hostel

The hostels are designed and furnished well to provide the best of comfort and convenience to the students. The school caters to all aspects of personal health and hygiene of the students.

Moreover, the management specifically ensures that healthy and clean environment in the school campus is maintained throughout.

SVM has modern sophisticated public address system as well as video projection system. Students enjoy movies and inspirational serials on weekends projected on a wide screen backed with hi-fi sound system.

Medical Care

The school provides round the clock medical facilities to students. Besides, all the students undergo scheduled medical check-up by experts and renowned doctors during the year.

Trained and dedicated medical staff takes punctual follow-up of post medical check-up instructions. Additionally, dietary measures are also ensured.

Security Services

The school places an extra emphasis on the safety measures of the students. There is a comprehensive CCTV camera network all over the school campus along with vigilant security guards stationed round-the clock at strategic spots to guard the overall safety and security.

Dining Facilities

The school food menu is known for its balanced nutritious plans that also successfully cater to the palate of children. The hygiene and quality standards are rigorously enforced and maintained in the kitchen and the dining hall.

The mineral water plant provides pure water 24 X 7 through multiple outlets across the campus.
